Thanks for the attached document, that is sufficient, I do not believe I will need anything else from you. I will add a few more hours to cover your time to make labels and reduce sheets for xeroxing etc. As for the AF portion, I would assume a separate request will go to their Line of Business, we will just worry about Air Traffic.

I am off tomorrow and Monday is the Holiday so have a great weekend and Thanks again for ALL your support and hard work.

Hi Karyl,

Below is Indianapolis Center's (AT) approximate costs. In addition, 1200 of the 4,447 documents to be copied are 11 x 15 and will need to be reduced to 8 1/2 x 11 which will take additional time. Also, I'll need time to make all the tape labels. Is Airway Facilities receiving a separate request? I know that ZID AF provided the 9/11/01 Commission with information. I'll be here the rest of today and all of tomorrow. If I can help, please let me know. Have a good day.

Attached is a spreadsheet. This is what I need from you . It breaks it down, I am going to use your estimates along with the estimates you originally provided when we first compiled the data for the Commission to submit a report.

So when you have a chance advise me the these numbers and I will enter them in my spreadsheet.

thanks much for all you do....
